	iii. Outdoor Bike Racks	
	iv. Outdoor Trash Receptacles	
	v. Outdoor Recycling Receptacles	

PART I: ABOUT THE STANDARDS

Section A Guiding Principles: Outdoor Furnishings

Standards & Guidelines provide a direction and consistency in our facilities and campus systems. Facility design guidelines provide guidance for project architect/engineer & project management teams and the contractor team during the design and construction process for University of New Mexico projects. Design guidelines should be used along with the project specific program.

The Outdoor Furnishings Standards have been selected based on long term durability and aesthetics. Use of standards furniture is encouraged but does not preclude the use of other manufacturers, styles, colors, etc. Products outside of provided standards should be reviewed by UNM PDC Interiors to ensure compatibility, quality, functionality, etc. Replacement of or addition to existing furnishings should be done with like products & finishes.

Standard finishes have been provided by product to keep uniformity of inventory and campus brand. Any finishes variance requires approval from UNM PDC University Architect and Interior Environments Design Manager. UNM preferred finishes in order of preference are: silver, black and on rare occasion, cherry (red). Please note: burgundy or maroon are not acceptable versions of Lobo Cherry.

1. **Review Process:** All non-standard outdoor furnishings selections for projects on UNM campuses should be reviewed by UNM Planning, Design & Construction Interiors in order to promote consistent aesthetics and appropriateness of installations across facilities.
2. **Durability:** UNM prioritizes use of manufacturer's products of the highest quality possible to ensure that the life of the product lasts as long as possible and to promote fiduciary responsibility.
3. **Sustainability:** All construction or renovation projects at UNM will be designed to emphasize the life cycle costs associated with the operations and maintenance of the facility over initial capital costs and to meet or exceed the U. S. Green Building Council's LEED Silver standard per the Governor's Executive Order 2006-001.

PART II: SPECIFICATIONS

Section B General Specifications

i. Outdoor Tables

- a. Landscape Forms Carousel Table
www.landscapiforms.com, Phone # 1-800-521-2548
- b. Powdercoat Paint, Steelhead Perforated metal table top, Seat Style: Backed Grid, Round Dining height, 5 + ADA Open Seat or 6 Seat, 86" x 33" chairs with backs, with umbrella hole (if applicable)

Outdoor Umbrellas

- a. Landscape Forms Solstice Cygnus Sun Shade
www.landscapiforms.com, Phone # 1-800-521-2548
- b. Powdercoat Paint, Perforated Metal construction

Typical Areas of Application & Installation Method

- a. Outdoor Patios, Courtyards, Outdoor Commons Spaces
- b. All tables should be surface mount installed per manufacturer's instructions unless ground material dictates otherwise. Umbrellas are mounted to the table.

ADA Requirements

- a. ADA Requirements: Each installation shall provide the appropriate quantity of ADA accessible tables for project size. 5% of tables provided in a given area should be accessible (5 seat + ADA Open Seat). The route to the table must be accessible for a wheelchair.

Finishes

- a. Silver

PART II: SPECIFICATIONS

Section B General Specifications

ii. Outdoor Bench (Modern Environments)

- a. Landscape Forms Plexus II Bench, Powdercoat Paint
www.landscapeforms.com, Phone # 1-800-521-2548
- b. 3 Seat Unit Style: Straight Backed, Straight/Radius: Straight, Armless

Typical Areas of Application & Installation Method

- a. Outdoor Patios, Courtyards, Outdoor Commons Spaces
- b. All benches should be surface mount installed per manufacturer's instructions unless ground material dictates otherwise.

Finishes

- a. Silver

Section B General Specifications

iii. Outdoor Bench (Traditional Environments)

- a. Victor Stanley Steelsites RB Collection Bench
www.victorstanley.com, Phone # 1-800-368-2573
- b. RBF-28 with back, powdercoat, surface mount, with arms

Typical Areas of Application & Installation Method

- a. Outdoor Patios, Courtyards, Outdoor Commons Spaces
- b. All benches should be surface mount installed per manufacturer's instructions unless ground material dictates otherwise.

Finishes

- a. Silver

Photo/Drawings

PART II: SPECIFICATIONS

Section B General Specifications

iv. Outdoor Bike Rack

- a. State of AZ Department of Corrections High Security Bicycle Rack
www.aci.az.gov, phone # 1-602-272-7600
- b. MP43, Surface Mount, Powdercoat
- c. Available in 4', 6', 8', 10', & 12' lengths

Typical areas of application & Installation Method

- a. Outdoor Patios, Courtyards, Outdoor Commons Spaces
- b. All bike racks should be surface mount installed per manufacturer's instructions unless ground material dictates otherwise.

Finishes

- a. Black or Silver

PART II: SPECIFICATIONS

Section B General Specifications

v. Outdoor Trash Receptacle

- a. DuMor Site Furnishings Manufacturer, sales@dumor.com, phone # 1-800-598-4018
NM Vendor: Exerplay, www.exerplay.com, phone # 800-457-5444
- b. 157-32SH, 32 gallon steel receptacle w/shield CVB-30-25BT, large steel bolted 25" large steel bolted 25" bonnet top cover, Surface Mount, Powdercoat, hinged door design

Typical areas of application & Installation Method

- a. Outdoor Patios, Courtyards, Outdoor Commons Spaces, Building Exit/Entry Points
- b. All trash receptacles should be surface mount installed per manufacturer's instructions unless ground material dictates otherwise.

Finishes

- a. Black

Section B General Specifications

vi. Outdoor Recycling Receptacles – 40 Gal.

- a. DuMor Site Furnishings Manufacturer, sales@dumor.com, phone # 1-800-598-4018
NM Vendor: Exerplay, www.exerplay.com, phone # 800-457-5444
- b. Dumor 40 Gal. 2 Stream Unit, Recycling Receptacle Base 436-40-0031 (qty. 1), Half-Round Liner 49-20H (qty. 2), Cover 0-435-EC-04 (qty. 1), Cover 0-435-EC-02 (qty. 1)
- c. Steel coated w/zinc rich epoxy finished w/polyester powder coating, ½” x 3 ¾” expansion anchor bolts (qty. 3), hinge door
- d. Lettering Layout: Landfill (20 Gal.), Bottles & Cans (20 Gal.)

Typical areas of application & Installation Method

- a. Outdoor Patios, Courtyards, Outdoor Commons Spaces, Building Entry/Exit Points
- b. All recycling receptacles should be surface mount installed per manufacturer’s instructions unless ground material dictates otherwise.

Finishes

- a. Black Body, Black, and Blue Openings:

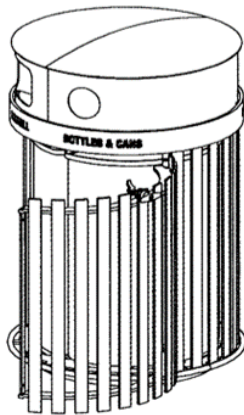

Black: Landfill (Trash)	Blue: Bottles & Cans

vii. Outdoor Recycling Receptacles – 80 Gal.

- a. DuMor Site Furnishings Manufacturer, sales@dumor.com, phone # 1-800-598-4018
NM Vendor: Exerplay, www.exerplay.com, phone # 800-457-5444
- b. Dumor 80 Gal. 4 Stream Unit, Recycling Receptacle Base 0-434-80-0005 (qty. 1), Half-Round Liner 49-20H (qty. 4), Cover 0-435-EC-04 (qty. 1), Cover 0-435-MC-80-05 (qty. 2), Cover 0-435-EC-04 (qty. 1)
- c. Steel coated w/zinc rich epoxy finished w/polyester powder coating, ½” x 3 ¾” expansion anchor bolts (qty. 3), hinge door
- d. Lettering Layout: Landfill (20 Gal.), Bottles & Cans (20 Gal.), Bottles & Cans (20 Gal.), Compost (20 Gal.)

Typical areas of application & Installation Method

- a. Outdoor Patios, Courtyards, Outdoor Commons Spaces, Building Entry/Exit Points
- b. All recycling receptacles should be surface mount installed per manufacturer’s instructions unless ground material dictates otherwise.

Finishes

- e. Black Body, Black, Blue and Green Openings:

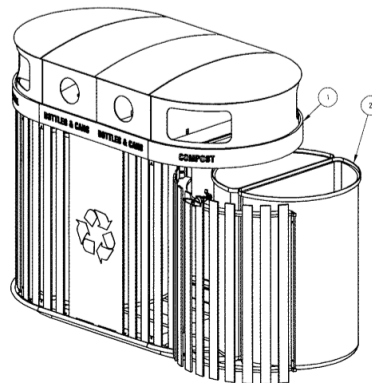

Black: Landfill (Trash)	Blue: Bottles & Cans	Green: Compost
